

Editor's Office. (2021, June), I want to reserve a beautiful number plate, what should I do
Grand Prix. (618): 98

For anyone who wants a beautiful registration number, a lucky number, there is a way to recommend. just go to the website Department of Land Transport can reserve the registration number that we like

Online car registration reservation is a complete car reservation through the Internet. Can be used to reserve the registration of cars, sedans, vans and pickup trucks. without having to travel to the Department of Land Transport In the case of booking a new car have to wait to get the car first to be able to register The motorbike must be reserved at the transport office only. Today, the two methods of booking a car registration are explained in a way that is easier to understand as follows:

enter the website <http://www.tabienrod.com> and click "**reserve car registration**" or click <https://reserve.dlt.go.th/reserve> to "**enter the registration number reservation system**"

Once you have logged in to reserve the registration number, read the entire "Guidelines for Registration Number via the Internet" to know the terms and changes.

If you want to know the schedule for booking the current registration number in the alphabet category, click the **table for booking numbers. and rules for booking numbers** To study the opening date for booking numbers, categories, letters, various diacritics, divided into 3 categories: **personal cars, not more than 7 people** (saloon or pickup truck, 4 doors), **personal cars exceeding 7 people** (van) and **personal truck** (Pickup truck or 2-door pickup truck)
