Abstract

Presenting content about **Beautiful home and decoration** Renovating a 40-year-old house. Comfortable living amidst large trees surrounding the house. A cool house with box-shaped architecture that allows for airflow. A modern white box-shaped house with windows to let in light and allow trees to grow. A modern house surrounded by a courtyard, making it feel like a private resort. **Ornamental plants and Gardening** A tropical garden with large trees, connecting nature with the modern house. A wide front lawn and a forest garden next to the golf course. Small gardens with unlimited ideas. Plant Library : 9 strongly fragrant roses for garden decoration and fragrance. **News-Articles-Reports-Interviews** Home and Garden Explorers Club: Welcome to Chiang Dao, accommodation before the trip. Taking my wife up the mountain 03.
