### Abstract

Presenting content about **Beautiful Homes and Decorations** Modern Isaan House: Cozy living with a raised floor area. Luxury Isaan House: The charm of traditional Isaan houses transformed into contemporary homes. A single-story house suspended on a scaffolding structure. A house perfectly suited to life, embracing nature with breezes and sunlight at a leisurely pace. **Ornamental plants and Gardening** A garden in the middle of a rice field – a view beyond mere beauty. An 11-rai garden on a hillside, connecting open spaces to the lush shade of nature. A beautiful, simple, and gentle Mediterranean-style garden (Pinterest-inspired). Plant Library: 8 heat-tolerant flowering plants that bloom profusely in full sun. **News-Articles-Reports-Interviews** Watch Out: Tomato Twins appear at the Home & Garden Fair, Khon Kaen. Home & Garden Explorer Club: Inspiration from the cliffs, pools, and sand ripples of the Mekong River basin for a special edition adventure watch.
