

A man uses a sniper rifle to take out multiple soldiers in a room where an interrogation is taking place. The first shot hits the female interrogator with lots of blood spraying and several other people are shot with some blood shown. In a slow motion action sequence, Z is shot in the side with blood spraying. Seconds later, he is shot in the head again with blood spraying out of the back of his head. A couple more soldiers and African villagers are violently killed with lots of blood.
