Advancing Food & Health Through Sound Science

FEATURES

18 Center Store Moves Center Stage

by A. Elizabeth Sloan

As pandemic restrictions ease and more consumers begin to eat outside the home, convenient, restaurant-quality, and seriously healthy fare will be critical for maintaining center-store sales momentum.

28 Farming 4.0 Is Here

by Dale Buss

What do the latest agricultural technology innovations mean for food production, the environment, CPG companies, and consumers?

Online Exclusive

Read a related article about Cargill's efforts to share its regenerative agriculture expertise at ift.org/news-and-publications/food-technology-magazine.
