Cover story

Where's the solution to the staffing crisis?

The double whammy of Covid and Brexit has stripped the industry of some of its best workers, some through redundancy, some through finding a better deal elsewhere after a long furlough. *Rosalind Mullen* looks at the staffing crisis and discovers how some businesses are working to fill their vacancies

"There is evidence of people who were previously in management roles deciding to leave the industry altogether and they have embarked on a new career"
Hannah Horler, Cartwheel Recruitment
