SOCIAL SCIENCES

"We do not know Rose's family name, or the place of her birth, or the year of her death.... But we can be sure that Rose faced the deep kind of trouble that no one in our present times knows and only an enslaved woman has seen. Rose knew that she or her little girl, Ashley, could be next on the auction block, the cold device enslavers turned to when their finances faltered."

SPOTLIGHT REVIEW

"This penetrating and incisive account of Black rebellion is based on extensive primary research, particularly from the archives of the Lemberg Center for Study of Violence. Readers interested in social movements in the United States, past or present, will not want to miss this illuminating work."—**from Chad E. Statler's review of America on Fire: The Untold History of Police Violence and Black Rebellion Since the 1960s (https://bit.ly/3flHZck)**
